Numbers of Peer-reviewed manuscripts published	
Numbers of Manuscripts submitted	
Numbers of Abstracts and presentations	
Numbers of Invited reviews or book chapters Published or In Press	

LETTERS OF REFERENCE/SUPPORT

Identify one individual in addition to the proposed supervisor(s) who has been asked to submit a letter of reference on the candidate's behalf. The letter from the proposed supervisor(s) should provide details and rationale for selecting and proposing the candidate for support.

Name	**Institution/Organization**	**Email Address**
Supervisor (Current or proposed)	University of Calgary	

The 2 letters of reference should be submitted by e-mail directly to nriley@ihe.ca .

Letters should highlight the candidate's strengths as they relate to suitability/experience in research (e.g. originality, technical ability, demonstrated skills, judgment, critical skills, etc.), career goals, and the benefit that the proposed experience would provide toward the candidate's career goals. **The letter from the supervisor should indicate commitment of funding for the duration of the training program, to complement the period that would be covered by the IHE award.**

APPLICANT'S ACCOMPLISHMENTS

Outline any relevant academic, leadership, work and/or research accomplishments and/or experiences that have contributed to your career development to date. Contributions described in this section may include academic, non-academic, and research achievements. Provide background information on major scholarships or awards and their significance. Do not exceed the space below.

SUPERVISOR'S RESEARCH TRACK RECORD (If co-supervision, provide information for each supervisor - by duplicating page 5)

SUPERVISOR RESEARCH PUBLICATIONS – On a separate page, list your publications for the past 5 years. Only list **papers** published or accepted for publication. Only list Abstracts that include trainees under your direct supervision. Underline the names of **graduate level trainees** and **Postdoctoral Scholars**.

TRAINING ENVIRONMENT

Supervisor's Name: **Faculty Rank:** **Starting date of Faculty Position:**

SUPERVISOR'S RESEARCH FUNDING

List active research grants and only the portion of the funding **you receive**. **Do not** list equipment or equipment maintenance grants or research allowances associated with studentship or fellowship awards. **(Use additional pages if necessary.)**

Currently Active Grants

Granting Agency	Role (PI/Co-PI)	Title of Project	Period of Support	Amount/Year 1

Pending

Granting Agency	Role (PI/Co-PI)	Title of Project	Period of Support	Amount/Year

CANDIDATE NAME:

SUPERVISOR'S RESEARCH TRAINEES List all trainees over the past 5 years (In program or completed)

Surname, Initial(s)	Program (MSc, PhD, PDF, etc.)	Source of Support		Date of Training		#Pubs in Program	
		Personal Awards (please specify)	Supervisor's Grants	From (MM/YY)	To (MM/YY)	Papers	Abstracts

RESEARCH PROJECT

In the space provided below provide a summary of the research project **IF you are seeking support for a project within your existing graduate work**. The research plan outlining the project should state the specific objectives, the methodological approach, and the defined key milestones or deliverables to be achieved. **(Do not exceed space allocated here.)**

RELEVANCE, ALIGNMENT, AND TRAINING ENVIRONMENT OF THE PROJECT

Supervisor to discuss training environment of the project OR role of candidate in potential Alberta Health-Prioritized project. Detail the role of the trainee in the research project and how the project links to the policy priorities of Alberta Health and IHE. Outline the benefit for the applicant in the UofC, IHE, and AH environments, highlighting the facilities and other personnel with which the trainee will have the opportunity to interact. OR Detail the combined interests of the candidate and supervisor in a potential Alberta Health-prioritized project and how it links to the supervisor's research program and/or research group. **(Do not exceed space allocated here.)**
