

## Outcomes Report of Activities Supported by Campus Alberta HOPH Meeting Grant

Please provide responses to the six questions below, expanding as necessary to a maximum of two, single-spaced pages.

<b>Date of Report</b>	4 April 2017
<b>Date of Meeting</b>	19, 20, 21 October 2016
<b>Title of Meeting</b>	Fort McMurray Wildfire Pregnancy Intervention Study
<b>Team Lead(s)</b>	David M. Olson, University of Alberta
<b>Amount of Award</b>	\$2500

1. Please append the program/agenda for your HOPH-sponsored meeting. Appended
2. Meeting attendance (total number of attendees, affiliations represented, etc): Appended
3. Outline the meeting expenses covered by the awarded funding: Dinner at the Faculty Club for team members to meet and greet; flights for 5 team members to Fort McMurray, hotel for 3, car rental, meals
4. List, provide, or explain outcomes from the meeting (reports, publications, etc): The primary outcome from the meeting was a CIHR grant proposal that was funded as #1 in Canada for two years for \$500,000.
5. List (with projected timelines and names of participants) what activities or next steps are ensuing from the meeting (follow-up meetings, etc): We are engaged upon carrying out the responsibilities of the grant.
6. Please provide any additional commentary on the benefits or unexpected consequences arising from the meeting: The meeting allowed our team members to all meet for the first time, to send a delegation to Fort McMurray to meet with 5 pregnant or postpartum mothers to explain our study and receive their advice, to meet with Ms. Lori Apostol, the Executive Director of the Wood Buffalo Primary Care Region and receive her advice about our project, and to tour the devastation caused by the wildfire. This information was then assembled and put into our final CIHR grant proposal, which was funded.
